January 17, 2008

Dear Mendham Township Families:

As we make our way through the winter months, we are still fortunate to have one snow day left in our reserve. Hopefully, we will not have to utilize this day. However, please check the Board of Education's final district calendar, which is posted on our website if we do in fact need to go beyond our allotted days.

It is important to draw your attention to the district calendar during the months of January, February, and March. Please note that we are scheduled for a full day of school on Friday, January 18th, but the district is closed on Monday, January 21st in honor of Martin Luther King, Jr. In February, students will be dismissed early on Friday, February 15th as our teachers will be engaging in a professional development session. Both schools are closed on Monday and Tuesday, February 18th and 19th for an extended President's Day weekend. March brings us to our half day, spring Parent and Teacher Conferences on March 18th, 19th, and 20th. The district will be closed the following day for Good Friday and students will return to school on Monday, March 24th on a delayed opening schedule for another professional development experience.

During these months, a number of evening activities have been planned for parents and students. Please be sure to check both schools' on-line monthly calendars for dates, times, and descriptions of each event. We look forward to seeing you.

A district calendar has been attached for your review.
