

# GET A CLUE @ YOUR LIBRARY

*The Mendham Township Library*

Summer Reading Club features a mystery theme!

Registration for our summer reading club begins at our kickoff event, **THE MYSTERY OF REPTILES**, and continues through June 30<sup>th</sup> when you visit the library. Rizzo's Reptiles will visit Brookside on June 19<sup>th</sup>, at 4:00 at the Brookside Community Church. Come see Rizzo's mysterious, scaly friends and sign-up for the summer reading club. All are welcome.

**Our reading log is a trail to prizes. How the reading program works:**

1. When you register for the reading club, we will put your name on a poster, and on a mystery symbol that will hang from the ceiling in the Children's Room.
2. Now, the reading begins!! Color a stepping stone every time you read for 20 minutes.
3. After you have colored in six stones (or have read for 2 hours during a week), you can come to the library and receive a prize.
4. When you have completed the trail to the final stepping stone, hand in your reading log/map for your final prize.

Other ways to win prizes:

- Every week we will feature **MYSTERY TRACKS** in the children's room. The tracks will belong to a creature from the animal kingdom. If you guess what kind of animal it is, you will win a prize (helpful hint: see if the library has any books on animal tracks).
- Each week, when you bring in your log, you will be entered into a raffle for a special "**PRIZE OF THE WEEK.**"
