

# Middle School Cultural Arts

## CLASS '08 LEGACY ART KICKS OFF

**8th graders photo sessions begin the end of this week.**

The photos will be incorporated into the photo mosaic. The day of their photo session depends which of three classes your 8th grader is in this trimester:

Friday, December 14 Art Class

Monday, December 17 Music Class

Tuesday, December 18 Computer Class

If they haven't already, be sure your 8th grade son or daughter turns in their Photo Waivers to the Front Office. If we don't have the signed form, your child cannot be included in this project.

Also, encourage your 8th grader to bring in a prop for their photo session (something important to them.) A musician could bring in their instrument. A soccer player, how about a soccer ball. If they're an artist, bring in a paint brush. Whatever is important to them, as long as it is appropriate to bring into school.
