

Mendham Township HSA 5th Annual Tabletop Luncheon

Dear Proprietor,

On Friday, April 4, 2008, the Mendham Township Home and School Association will be sponsoring a Tabletop Luncheon event. The Tabletop Luncheon raises funds to enhance the cultural and educational enrichment programs at the Mendham Township public schools. There will be a Silent Auction as well as various raffles which will feature goods and services donated by local businesses. We are expecting well over 200 women at our event. We would be grateful for your support.

There are two ways in which your business can contribute and advertise at the same time:

1. Donate goods or services for the Silent Auction and/or Raffles. To formally acknowledge your contribution to this event, your business name will be featured in the event brochure.
2. Donate \$25 for a business-card sized advertisement in the event brochure (attach business card to this form).

Your time and consideration are sincerely appreciated. We hope you choose to participate in this event and join us in this effort that will enrich all of our children. Please contact _____ at _____ for the pickup of a donated item. Items must be received by March 3, 2008 in order to be included in the program.

Thank you for your consideration.
