- Are you interested in meeting with our new principal and understanding his general philosophy and approach towards our children's education?
- Do you have any general questions about your child's education?
- Do you have specific areas of interest that you would like to hear about?

.....Then don't miss meeting with Mr. Michael Craver, our Elementary School Principal, as he makes himself available to talk to parents at an open, informal session. It would be helpful in planning for this session, if you could submit your questions in advance to Mr. Craver by sending an email to: oconnorch@mendhamtp.org

MTES Administration and your H.S.A. Parent Network Committee jointly sponsor this program. Parent Network is a positive forum in which key topics are addressed to reflect parents' questions, concerns, or interests as they relate to the education of our children.
