January 12, 2007 – Posted On MTMS Web Page
January 22, 2007 – Sent Home with all 8th Grade Students

Dear 8th Grade Parents/Guardians:

I hope you are enjoying a delightful beginning to what promises to be an exciting new year. As you know, planning for our eighth graders transition to the high school is in full swing here in our district and West Morris Mendham High School has planned a parent/student orientation on Wednesday, January 31, 2007 at 7:30 p.m. (snow date February 7, 2007).

Parents, along with their eighth grader(s) are also invited to a meeting on Thursday, February 6, 2007 at 7:00 p.m. (snow date February 12, 2007), at the West Morris Mendham High School Library. Mr. Jeff Nelson, Director of Special Services at the high school, will discuss the transition process of students with special needs to the high school. This meeting will focus on course selection and requirements, special education supports and services, extra curricular activities and procedures and standardized testing information. A question and answer session will follow the presentation for eighth graders and parents from Chester, Mendham Borough and Mendham Township. The information will be valuable in helping you and your eighth grader(s) prepare an Individual Education Program (I.E.P.) at your upcoming annual review meeting.

Please feel free to call me or your child's case manager if you have any questions or concerns regarding this exciting educational transition.

Sincerely,

E.B. Lombardi

Director of Special Services and Programs
