**VII. Correspondence**

Kimberly Hines Hart Letter regarding MTMS Dress Code.

**At this point in the meeting, Mr. Brauner invited the members of the general public to participate in the meeting.**

Cindy Barban, 1 Hilltop Circle addressed the Board concerning the middle school dress code. Essentially, she stated that there were facets of the existing code which she felt were too restrictive when compared to current fashions which are currently popular with young women. She also stated that purchasing clothes for young women which comply with the current dress code is becoming increasingly difficult. Ms. Barban also expressed that the enforcement and disciplinary measures for those not meeting current dress code standards were harsh. She brought examples of dress code policy from other public and private schools for consideration.

Kim Hart, 17 North Gate Road also expressed her thoughts that the current dress code policy may be too restrictive for middle school females. She inquired about the basis for the contents of the current policy. Dr. Constantino responded that the current dress code predates the current members of the Board of Education and most of the administration. Dr. Constantino also remarked that a committee of students, teachers and administration are currently in the process of reviewing the dress code and will have recommendations for the Board to examine.
