**District News and Updates**

In September, we will have student guests from MTMS, and Dr. Koroski will present information regarding plans for the Special Education Department for the 2023-2024 school year.

Preparations for the start of school continue. Julie, PJ, Rob, and I have completed a full agenda for teachers upon their return. It is packed with training, collaborative teacher time, and area-specific meetings. A great deal of hard work and preparation has gone

into the planning and programming selections for this year and we are very excited to launch.

Our website is undergoing a complete review. We will be revamping pages, refreshing content, and publicizing our new pages through our district email updates.

Welcome back information will be pouring out over the next two weeks, so be on the lookout.

The sick leave bill, A-5060/S-3440, was signed into law on July 3, 2023. This law expands the permissible use of sick days for public school staff. The previous law limited the use of the 10 annual statutory sick days to a teacher's own illness, injury, disability, or quarantine due to exposure to a contagious disease. We have developed a District worksheet for our employees' use - it was provided in last week's board update.
