

MTMS
Balloons in June
2019

One of the best ways to celebrate 8th grade graduation is by sending balloons & a personalized note to your favorite graduates!

You may order as many as you like and send to any student. Balloons will be delivered to students' mailboxes prior to graduation. Many like to use balloons to congratulate their friends as well.

Balloon bunches will consist of an MTMS logo balloon and blue/silver mylar balloons. Each balloon is **only \$5.50** and comes with a note. When placing your order, be sure to include a personalized note and your name!

NEW THIS YEAR! We are offering a class bundle, so that you may send a balloon to every student for a discounted rate of \$250.

To order please use the following link:
