The Board will also make school-owned vehicles available to transport groups of qualified senior or disabled citizens to civic, social, cultural, educational, recreational, nutritional and health programs and activities within the district, or in the immediately surrounding districts, provided the distance does not exceed twenty miles. Further, the Board will make district buses available to groups of children and adults for transportation to and from municipal programs or events subject to recommendation of the Superintendent.

These regulations shall provide for payment by the group of all or part of the costs incurred by the district in such use of its vehicles.
