

MTSD HSA

PARENTS * TEACHERS * COMMUNITY

Hello and Welcome!

We are Cammy Voyles and Jane Leonard, the Co-Presidents of the HSA. Along with the members of our Board, we would like to welcome your family to the Mendham Township School District (MTSD). MTSD is comprised of the Mendham Township Middle School (MTMS) and the Mendham Township Elementary School (MTES).

In this letter, you will find helpful information for your family with important links you may need and have handy.

What is the HSA?

The Mendham Township HSA (Home & School Association for the Mendham Township School District) is the school districts' main fundraising organization. It is comparable to PTOs and PTAs in other districts which includes parents, teachers and the community.

Funds raised in the past by the HSA have gone towards elementary school playground equipment, middle school locker room upgrades, security system upgrades, technology upgrades, SMART boards, sound systems, merit awards, cultural arts programs, teacher and staff appreciation, teacher grants, library books, Gaga Pits, Sensory Pathways, Indoor and outdoor recess equipment and much more.

As a MTSD family, you will receive valuable information pertaining to our schools via our weekly E-blast newsletter. Please [click here](#) to share your email address. The HSA directory can be received with a small donation to the HSA for \$30. If you'd like to be included in the HSA directory, please [click here](#) to include your information and you will be helping to support our schools!
