CONSENT FOR PUBLICITY FORM

2019-2020 School Year

Dear Parent/Guardian:

Each school year, with the permission of parents and guardians, the school district celebrates the accomplishments of students and staff by publishing the names, photographs, videos and schoolwork of students. This is done using the district and individual school websites and by permitting students to be interviewed and photographed (by both still and video photographers) by representatives of various media, including newspapers, magazines and other written publications, websites, blogs, local and national TV stations, and motion picture productions.

Concerning website postings, the State of New Jersey requires us to provide you with the following information:

As you are aware, there are potential dangers associated with the posting of personally identifiable information on a web site since global access to the Internet does not allow us to control who may access such information. These dangers have always existed; however, we as schools do want to celebrate your child and his/her work. The law requires that we ask for your permission to use information about your child. Pursuant to law, the district will not release any personally identifiable information without prior written consent from you as parent or guardian.

The purpose of this form is for you to grant or deny the district permission to use your child's name, image (whether in a photograph or video) or school work for the above purposes. If a child is on a team or in a club, it is very likely that his/her photo or name will be in the media since school events are often covered by the press. **Please fill out the form below and return it to your child's homeroom teacher.**

I WILL PERMIT my child to be interviewed, to have his/her name, photo and/or school work, in print, on video, on TV, in motion pictures, or on district and/or school websites for publicity purposes.

I WILL NOT PERMIT my child to be interviewed, to have his/her name, photo and/or school work, in print, on video, on TV, in motion pictures, or on district and/or school websites for publicity purposes.

Dear Parents/Guardians,

Keeping parents informed and involved helps to assure student safety and improve student success. With today's on-the-go lifestyles, it has become more difficult for schools to reach families quickly and effectively. This is why our school has decided to implement a new system called Honeywell Instant Alert® for Schools.

Instant Alert for Schools is an essential tool for notification and communication. Within minutes of an emergency, school officials can use Instant Alert to deliver a single, clear message to the students' parents or guardians by telephone, cell phone, e-mail, pager or PDA in any combination. Instant Alert can also be used to notify you of a school closing due to inclement weather. It's an equally effective way to keep you informed of everyday activities, such as event times and locations as well as schedule changes.

Instant Alert is Internet based, allowing each family to maintain a secure, password protected online profile. Included in this letter is an instruction sheet for accessing the system and creating your profile. You can log into your profile at any time to update your contact information. Maintaining the accuracy of your profile will increase the ability of the school to keep you informed.

Your online profile will enable you to:

- Input your personal contact information
- Select which type of school information you would like to receive on each of your contact devices
- Add contact information of other caretakers of your children, such as a grandparent or neighbor
- View the alerts that have been sent to you in the past

The system can be accessed at <https://instantalert.honeywell.com>. We encourage all of you to take advantage of this opportunity, as we will be utilizing this system for most of our school-to-home communication. **Remember to update your profile if any of your contact information has changed.**

If you need assistance with your profile, please go to <https://instantalert.honeywell.com> and click on the **Help Request** link on the lower right hand side of the page, or contact Julia Coyne at the Middle school (973-543-2505) or Barbara Wallack at the Elementary School (973-543-7107). Be sure to set your e-mail spam filter to receive e-mail from Honeywell.com. If you do not have access to a computer, please feel free to come to the school to use our facilities. We hope you enjoy this new service!

Sincerely,

School Business Administrator

Attendance Procedures & Potentially Missing Children
(5113)

The Mendham Township Elementary School remains committed to ensuring the safety of each and every one of our students. The following outline represents the procedures that parents, students, teachers, and office staff should utilize in order to expediently detect and report “potentially missing children”:

1. **Parents:** If for any reason a student is going to be absent from school, it is critical to contact the Elementary School office at anytime of day or night before 9:15 AM on the day of the absence.
2. **Office / School Staff:** Flag Salute/daily announcements commence at 9:00 AM.
3. **Teachers:** Prior to daily announcements, homeroom teachers utilize a “structured roll call procedure” to take attendance. Enter an ‘X’ (absent) next to every absentee student. Once a student’s status is officially entered onto the attendance sheet during roll call, it should not be changed – the office staff will rectify discrepancies via the student tardy sign-in sheet.
4. **Teachers:** Tardy students must have a pass signed by the office staff. If the student does not have a pass the office should be contacted to confirm the late arrival.
5. **Teachers / Office Staff:** All attendance sheets are due back ASAP but no later than 9:15 AM.
6. **Office Staff:** Account for all absences. If a student is absent and the parent or guardian has not notified the office, all emergency contact numbers must be utilized to locate the student. If the student cannot be located by 9:30 AM, contact the Mendham Township Police Department and request a “locator check” (no later than 10 AM).
7. **Teachers / Office Staff:** Office will provide Daily Attendance Report to all instructional staff no later than 9:45 AM.
8. **Teachers:** Take attendance at beginning of every period – notify office of discrepancies.
9. **Office Staff:** Immediately upon securing update from MTPD, inform Superintendent via email copied to principal. Detail event in Administrators Plus and include “welfare check report” in Superintendent’s monthly report.

OFFICE OF THE PRINCIPAL

PICK UP/DROP OFF PROCEDURE

Dear Parents,

As we begin a new school year, I would like to notify those of you new to the district and remind our 'veteran' parents of the arriving and departing procedure in order to ensure the safety of our children. To make this process safe, orderly and efficient, I respectfully request that you carefully follow the established procedure detailed below. It is imperative that the traffic flow in each instance of morning arrival and afternoon departure is precisely adhered to.

All morning arrivals and afternoon departures by car will take place at the rear of the building. You should be aware *that supervision is unavailable prior to 8:45 a.m.* Therefore, it is essential that you drop off your child at or after this time. Once on the property, please proceed along the drive and bear to the right, both as you approach the circle and upon reaching the side parking lot. The line will proceed around the perimeter of the side lot, along the soccer field, and approach the entrance to the new gym.

In order to ensure that the car line moves along smoothly we kindly request, upon arriving and departing, that you remain in your vehicle throughout the process. The staff member on duty will assist your child with entering your vehicle. To support us with expediting this procedure we would greatly appreciate you placing a placard clearly identifying your last name on the passenger side window when picking up so that your child (ren) can be called quickly from the gymnasium.

With your assistance, I'm sure we will make this procedure as safe and efficient as possible. I thank you in advance for your anticipated cooperation and look forward to working with you as the year progresses.
