Mendham Township Schools 3D Strategic Planning Brainstorming Session - Meeting #2

Mendham Township, a caring, supportive and involved school community, provides all students with a comprehensive educational experience of the highest quality incorporating the New Jersey Student Learning Standards, in a nurturing environment serving as a foundation for life-long learning and responsible, productive lives. Our vision is to provide the best education for Every Student, Every Day.

THINGS TO THINK

ABOUT:

Time to DREAM!!

What are your aspirations and hopes for your school district?

Think Ahead-

5 years from now -what will be the characteristics, elements and opportunities of your ideal school district that claim such heralded success?

5 years from now -what will your graduating students know, be able to do (and have become) when they leave your school district?
